DEFENDING YOUR DIGITAL CIVIL RIGHTS

The *Center for Democracy & Technology (CDT)* advocates for the digital rights of all. We advance data privacy, online free speech and democratic institutions. CDT works to reduce bias and inequality in algorithms and limit government surveillance. We serve as translators between technologists and policymakers, and offer counsel and guidance in legislation, regulation, and corporate policies. CDT is the leading nonpartisan, multi-stakeholder convener and a trusted and measured voice in the tech policy space.

Your support of the *2019 Annual Dinner (aka Tech Prom)* allows CDT to continue this important work. We invite you to join us on April 10th to learn more about CDT, discuss trends in tech policy, and network with policymakers, educators, civil society advocates, government representatives, corporate partners, and the interested public. If you are unable to attend, but wish to support our efforts, donations are welcomed at <https://cdt.org/donate/>.

For more information about [Tech Prom](#) or getting involved with CDT, please contact our development office at development@cdt.org or [202-637-9800](tel:202-637-9800).

EVENT SPONSORSHIP OPPORTUNITIES: A SNAPSHOT

Sponsorship not only makes this annual event possible, but allows CDT to continue to advocate for reasoned and practical tech policy options. We have a variety of packages to allow for greater participation, but welcome a conversation if you don't see listed what you need. We want to work with you!

For those who sponsor, your brands will be seen by the 1,000+ guests attending **Tech Prom** each year, as well as the thousands more who receive communications before and after the event. Sponsors will also be included on the event website, the event sponsorship program, event signage, and other benefits associated with each level. With your help, we can make the 2019 **Tech Prom** our most successful year yet!

SPONSORSHIP LEVELS
