2021 ANNUAL DINNER

SPONSORSHIP OPPORTUNITIES

BENEFITING THE CENTER FOR DEMOCRACY & TECHNOLOGY

OCTOBER 20, 2021

@ HOOK HALL, WASHINGTON, DC
The Center for Democracy & Technology (CDT) advocates for the digital rights of all. We serve as translators between technologists and policymakers, and offer counsel and guidance in legislation, regulation, and corporate policies. CDT is the leading nonpartisan, multi-stakeholder convener and a trusted and measured voice in the tech policy space.

Your support of 2021 Tech Prom allows CDT to continue this important work. We invite you to join us on October 20th to learn more about CDT, discuss trends in tech policy, and network with policymakers, educators, civil society advocates, government representatives, corporate partners, and the interested public. If you are unable to attend, but wish to support our efforts, donations are welcomed at cdt.org/donate.

CDT is committed to the health and safety of our guests. Safety measures will be enforced, following the venue requirements and the instructions of the CDC in accordance with District of Columbia guidelines. Additionally, we plan to adjust the format of the in-person event, removing traditional tables in favor of guest lounges and outdoor space to allow social distancing.

We are requiring all Tech Prom attendees to provide proof of full vaccination for this year’s event. Attendees must have received their final shot two weeks prior to October 20th to be fully vaccinated. CDT will ask all attendees to show their physical vaccination card, or an image of their vaccination card from their mobile device, at the door prior to entry. CDT will not collect this or any other information.

Please note: the venue is an indoor/outdoor facility, and we will be using all areas of the large space to discourage crowding. CDT will ask guests to use their personal judgment to determine if they need to move to a less populated part of the building throughout the course of the evening.

In joining us for the 2021 Tech Prom, all guests agree to comply with the safety precautions set forth by CDT, as well as the venue, throughout the course of the evening.
EVENT SPONSORSHIP OPPORTUNITIES

Your sponsorship makes this annual event possible and supports CDT’s work throughout the year. **We have a variety of sponsorship packages to allow for greater participation, but welcome a conversation if you don’t see listed what you need.**

For those who sponsor, your brands will be seen by the 1,000+ guests attending the virtual and in-person celebration, as well as the thousands more who receive communications about the event. Sponsors will also be included on the event website, the event sponsorship program, event signage, and other benefits associated with each level.

**All benefits are for an in-person event, unless otherwise noted.** If the in-person version of Tech Prom is canceled due to COVID-19, all committed in-person sponsors will receive virtual benefits in close proximity to the in-person benefits. Sponsors who wish to support the event but not attend in person can transfer their in-person spots to virtual spots up until September 17, 2021.

For more information about Tech Prom or getting involved with CDT, please contact our development office at development@cdt.org or 202-407-8821.

ABOUT HOST COMMITTEE
The Tech Prom Host Committee serves an honorary leadership role in the event. No additional time or financial responsibilities are required. It affords our key supporters additional recognition, and an opportunity to recognize their internal champions in the tech policy space.

HELP SPREAD THE WORD!
CDT is committed to hearing from new voices in industry, academia, civil society, and the government.

We encourage you to circulate this invitation to your networks, and welcome any additional guest suggestions at techprom@cdt.org.
